## NO CONFERENCE HELD

General Henderson Denies a Rail-  
road Combine Rumor.

Omaha, Neb., Nov. 22.—General C. F.  
Henderson, general solicitor of the Port-

sent out from Lincoln stating that Gen-  
eral Henderson had held a conference with Gov-  
ernor Savage with regard to proposed suits  
against the roads concerned in the Hill-  
Harriman plan, was absolutely without  
foundation.

There has been no combine, so far as  
the Burlington is concerned," he said.

than any sane man has. I have tried to  
have it all cleared up, but it has not  
come to life yet."

"It is true, Mr. Henderson is in Lin-  
coln, but he did not go there for the pur-  
pose of rounding the governor on this  
subject, as the dispatches stated, nor do  
I think that it ever came to a discus-  
sion."

A special to an evening paper from Lin-

cently consulted with attorney General  
Frost in regard to investigating the con-  
solidation of the various northwest rail-  
ways with a view of obstructing the deal

bloody flux. I cannot speak too  
highly of it. This remedy always works  
the most quickly. If not, please, of these  
who use it. The quickness which it  
effects even in the most severe cases  
makes it a favorite everywhere. For sale  
by druggists."

STOLE HIS SHINGLES  
Dr. Taylor Was Compelled to Buy  
Some More.

Dr. Taylor is making some additions to  
his house at 10 North Market street, and  
a few days ago purchased 120 shingles.  
He placed them in his yard, and Thursday  
morning he went out and found his shingles  
missing. The shingles were about  
100 in number, and he had to buy more.  
He said that he had to buy more shingles  
than he had to buy more shingles.

FAT AND LEAN  
That is, babies, fat, they are  
happy and safe; lean, they are  
neither happy nor safe.

Apart from being entirely  
healthy or not quite well, a fat  
one has much reserve of vital  
strength to resist any sudden  
attack, while the lean one has  
little or no reserve.

The way to be fat and well  
is Scott's emulsion of cod-liver  
oil. A little, only a little.  
Not any, it healthy and plump  
already; "let well enough  
alone."
